

## CURRICULUM VITAE

**Andrew Tai Ann Cheng**, MD, PhD, DSc (London), FRCPsych

### ADDRESS FOR CORRESPONDENCE

Institute of Biomedical Sciences, Academia Sinica, Taipei, Taiwan

*Telephone:* 886 2 26523023 (office); 886 2 2872 8023 (home)

*Facsimile:* 886 2 2782 3047 (office)

*E-mail:* [bmandrew@gate.sinica.edu.tw](mailto:bmandrew@gate.sinica.edu.tw)

### EDUCATION

MD College of Medicine, National Taiwan University, Taipei, 1974

PhD Institute of Psychiatry, University of London, London, 1987

### PROFESSIONAL CERTIFICATES

- 1975 General Medical License (Taiwan)
- 1982 Psychiatry Specialist License (Taiwan)
- 1996 Fellowship, Royal College of Psychiatrists, U.K. (*FRCPsych*)

### CHRONOLOGICAL POSITIONS HELD:

- 1974-76 Residents, Department of Neuropsychiatry, National Taiwan University Hospital, Taipei, Taiwan
- 1976-79 Residents, Chief residents, and consultant psychiatrist, Taipei City Psychiatric Center, Taipei, Taiwan
- 1979-81 Research Psychiatrist, General Practice Research Unit, Institute of Psychiatry, London
- 1982-85 Consultant Psychiatrist, Director of Adult Psychiatry Unit, Kaohsiung Psychiatric Institute, Kaohsiung, Taiwan
- 1985-94 Lecturer, Associate Professor, Department of Psychiatry, College of Medicine, National Taiwan University, Taipei, Taiwan
- 1985-94 Consultant Psychiatrist, Department of Psychiatry, National Taiwan University Hospital, Taipei, Taiwan
- 1985-94 Associate Professor, Institute of Epidemiology, College of Public Health, National Taiwan University (joint appointment), Taipei, Taiwan
- 1992-96 Associate Research Fellow, Division of Epidemiology & Public Health, Institute of Biomedical Sciences, Academia Sinica, Taipei, Taiwan
- 1994-99 Consultant Psychiatrist, Taipei City Psychiatric Centre, Taipei, Taiwan
- 1995-99 Adjunct Professor, Institute of Public Health, College of Medicine, National Yang-Ming University, Taipei, Taiwan
- 1996- **Adjunct Professor**, College of Life Science, National Defence Medical Center, Taipei, Taiwan
- 1996- **Adjunct Professor**, Institute of Preventive Medicine, College of Public Health, National Taiwan University, Taipei, Taiwan
- 1996-2006 Research Fellow, Institute of Biomedical Sciences, Academia Sinica, Taipei, Taiwan
- 1996-99 Coordinator, Division of Epidemiology & Public Health, Institute of Biomedical Sciences, Academia Sinica, Taipei, Taiwan

- 1998-99 Adjunct Professor, Institute of Behavioural Medicine, College of Medicine, National Cheng-Kung University, Tainan, Taiwan
- 1999 Visiting Professor, Department of Psychiatry, Institute of Psychiatry, King's College, London, University of London (July to December)
- 2004-2010 **Visiting Professor**, Department of Health Service and Population Research, Institute of Psychiatry, King's College, University of London
- 2006-2019 **Distinguished Research Fellow**, Institute of Biomedical Sciences, Academia Sinica, Taipei, Taiwan
- 2019- **Chair Professor**, China Medical University, Taichung, Taiwan
- 2019- **Adjunct Research Fellow**, Institute of Biomedical Sciences, Academia Sinica, Taipei, Taiwan

## EDITORIAL ACTIVITIES:

### Peer Review Activities for International Journals (since 1980):

**Journals of "Psychiatry":** *Molecular Psychiatry; American Journal of Psychiatry; Archives of General Psychiatry; Biological Psychiatry; British Journal of Psychiatry; Neuropsychiatric Genetics; Psychological Medicine; Journal of Affective Disorders; Acta Psychiatrica Scandinavica; Social Psychiatry and Psychiatric Epidemiology; European Psychiatry; International Journal of Social Psychiatry; General Hospital Psychiatry; Journal of Psychiatric Research; World Journal of Biological Psychiatry; Crisis; Case Reports in Psychiatry, Archives of Suicide Research; Translational Psychiatry; Transcultural Psychiatry*

**Journals of "Substance abuse":** *Addiction; Drug and Alcohol Dependence; Alcoholism: Clinical and Experimental Research; Journal of Studies on alcohol and drugs; Alcohol and Alcoholism*

**Journals of "Public, environmental, and occupational health":** *International Journal of Epidemiology; American Journal of Epidemiology; Journal of Public Health; Journal of Epidemiology & Community Health*

**Journal of "Medicine, general":** *British Medical Journal*

**Journal of "Multidisciplinary Sciences":** *PLoS One*

### Editorial Board Memberships:

International Editorial Board, *British Journal of Psychiatry*

## INTERNATIONAL AFFILIATIONS

- 1989- Member, *Section of Transcultural Psychiatry, World Psychiatric Association*
- 1989-95 National Representative of Taiwan, *International Association for Suicide Prevention (IASP)*
- 1993- Member, *International Federation of Psychiatric Epidemiology (IFPE)*
- 1996- Committee Member, IFPE
- 1999-2002 Secretary General, IFPE
- 2002-04 President, IFPE (first term)
- 2004-07 President, IFPE (second term)
- 2007-11 Honorary Scientific Advisor, IFPE
- 2009- Committee Member, World Psychiatric Association, Section of Epidemiology and Public Health

## HONOR AND AWARD:

- 1989 Excellent Research Award, National Science Council, Taiwan
- 1990 Excellent Research Award, National Science Council, Taiwan

- 1994 Excellent Research Award, National Science Council, Taiwan
- 1995 *Stanley Foundation Research Awards*, National Alliance for the Mentally Ill, Virginia, U.S.A. (Project: Aetiological heterogeneity of schizophrenia: A study among Taiwanese aborigines).
- 1996 **Outstanding Research Award (Psychiatry)**, National Science Council (Biological Division), Taiwan
- 1998 **Outstanding Research Award (Public Health)**, National Science Council (Biological Division), Taiwan
- 2001 **Outstanding Research Award (Psychiatry)**, National Science Council (Biological Division), Taiwan
- 2003 **Doctor of Science (Medicine)** in Psychiatric Epidemiology, University of London
- 2002-05 **Special Research Fellow**, National Science Council (Biological Division), Taiwan
- 2005-08 **Special Research Fellow**, National Science Council (Biological Division), Taiwan (2<sup>nd</sup> time)
- 2008 Outstanding Special Research Fellow, National Science Council (Biological Division), Taiwan
- 2010 20th “Wang Min-Ning Award” for outstanding contribution in biomedical sciences

## PROFESSIONAL CONTRIBUTION

- 1994-95 Chairman, *Planning Committee for intramural Division of Mental Health and Drug Abuse Research*, NHRI.
- 1995 Advisor, Mackay Memorial Hospital, Taipei
- 1995 Advisor, Cheng-Hsin Medical Center, Taipei
- 1996 Reviewer, NHRI Extramural Program Project Grant (PPG) (including site visit)
- 2002 Convenor and Chairman of the Local Organizing Committee, the VIII Congress of the *International Federation of Psychiatric Epidemiology* (main theme: Genome and envirome: Roles and Interaction in Psychiatric Epidemiology), Taipei, March 6-9.
- 1999- External Examiner, Master of Medicine (Psychiatry), Universiti Kebangsaan, Malaysia
- 2000 Trainer, SCAN workshop, organized by the Malaysian Association of Scientific Research in Psychiatry. University Malaya Hospital, Kuala Lumpur, June 26-30.
- 1999 Member, International Advisory Committee, XXI Congress of the International Association for Suicide Prevention (IASP), Chennai, India, September 22-26.
- 2001 Member, Scientific Programme Committee, Asian Regional Conference of the International Federation of Psychiatric Epidemiology (IFPE), Kuala Lumpur, Malaysia, September 26-29.
- 2001 Member, International Scientific Committee, XVII World Congress of World Association for Social Psychiatry, Agra, India, October 27-31.
- 2000 Member, Advisory Committee, XXI Congress of the International Association for Suicide Prevention, Chennai, India, September 22-26.
- 2002 Member, Scientific Programme Committee, 9<sup>th</sup> Congress of the International Federation of Psychiatric Epidemiology (IFPE), Edmonton, Canada, May 12-15.
- 2001 Invited to review the Department of Mental Hygiene, Johns Hopkins University
- 2003 Member, Scientific Programme Committee, World Psychiatric Association Section of Epidemiology and Public Health biannual meeting, Paris, July 8-11.
- 2003 Member, Honorary Committee, World Psychiatric Association International Conference on “Diagnosis in Psychiatry: Integrating the Sciences”. Vienna, Austria, June 19-22.
- 2003-4 Member, Scientific Programme Committee, 10<sup>th</sup> Congress of the International Federation of Psychiatric Epidemiology (IFPE)
- 2006-7 Chairman, Scientific Programme Committee, 11<sup>th</sup> Congress of the International Federation of Psychiatric Epidemiology (IFPE), Gotenberg, Sweden

- 2008 Organizer, Plenary session “Aboriginal mental health”, World Psychiatric Association Section of Epidemiology and Public Health biannual meeting, Saskatchewan, Canada, May 11-14, 2008.
- 2009 Chairman, Scientific Programme Committee, 12<sup>th</sup> Congress of the International Federation of Psychiatric Epidemiology (IFPE), Vienna, Austria
- 2010 Member, Scientific Programme Committee, World Psychiatric Association *Section on Epidemiology & Public Health Scientific Meeting*, Lisbon, July 11-14.
- 2011- (President, Taiwanese Academy of Psychiatric Epidemiology, a corporate member of IFPE)
- 2011 Member, Scientific Programme Committee, 13<sup>th</sup> Congress of the International Federation of Psychiatric Epidemiology (IFPE), Kaohsiung, Taiwan
- 2013 Member, Scientific Programme Committee, 13<sup>th</sup> Congress of the International Federation of Psychiatric Epidemiology (IFPE), Leipzig, Germany
- 2014 Member, International Committee, World Psychiatric Association Section of Epidemiology and Public Health biannual meeting, Nara, Japan.
- 2017 Member, International Advisory group, 16<sup>th</sup> Congress of the International Federation of Psychiatric Epidemiology (IFPE), Melbourne, Australia

## ACADEMIC PRESENTATION

### Chairperson in international conference

- Symposium Chairperson, the *VIII World Congress of Psychiatry*, Athens, October 1989.
- Symposium Chairperson, *6th Congress of the International Federation of Psychiatric Epidemiology*, Lisbon, April 1993.
- Chairperson, Scientific Committee, International Symposium: *Relapse of schizophrenia*, Kaohsiung Medical College, December 2-4, 1994.
- Symposium Chairperson, *8th European Symposium, Association of European Psychiatrists, Section of Epidemiology and Social Psychiatry*, Cambridge, April 1996.
- Symposium Chairperson, *7th Congress of the International Federation of Psychiatric Epidemiology*, Santiago de Compostella, August 1996
- Symposium Chairperson, *XIX Congress of the International Association for Suicide Prevention: Suicide prevention the global context*, Adelaide, March 23-27, 1997.
- Workshop Chairman, "Prevention of suicide: will western methods work in Asia?", *XI World Congress of Psychiatry*, Hamburg, August 6-11, 1999.
- Symposium Chairperson, *World Psychiatric Association Section on Epidemiology & Public Health Scientific Meeting*, Baltimore, June 3-6 2001
- Chairperson for Plenary and Parallel sessions at the International Federation of Psychiatric Epidemiology Asian Regional Conference, Shah Alam, Malaysia, September 26-29, 2001
- Chairperson for Plenary and Parallel sessions at the *International Federation of Psychiatric Epidemiology 9<sup>th</sup> Congress*, Edmonton, Alberta, May 12-15, 2002.
- Chairperson for Plenary session at the biannual meeting of the WPA Section of Epidemiology and Public Health, Brisbane, Australia, July 5-7, 2005.
- Chairperson for Plenary sessions at the *International Federation of Psychiatric Epidemiology 11<sup>th</sup> Congress*, Goteborg, Sweden, May 3-6, 2007.
- Chairperson for Plenary session at the *World Psychiatric Association Section on Epidemiology & Public Health Scientific Meeting*, Saskatchewan, Canada, May 11-14, 2008
- Chairperson for Plenary session at the XII Congress of the *International Federation of Psychiatric Epidemiology*, Vienna, Austria, April 16-19, 2009
- Chairperson for Plenary session at the XV Congress of the *International Federation of Psychiatric Epidemiology*, Bergen, Norway, October 7-10, 2015.
- Chairperson for Plenary session at the XVIII Congress of the *International Federation of Psychiatric Epidemiology*, Verona, Italy, September 16-18, 2021.

**Invited/plenary speech**

- 1 "The Taiwan Aboriginal Study Project (TASP)", presented at the Charke Institute of Psychiatry, University of Toronto, May 12, 1995.
- 2 "Suicide among Two Aboriginal Groups in Taiwan", Plenary Speech, the *XIX Congress of the International Association for Suicide Prevention*, Adelaide, March 23-27, 1997.
- 3 "Epidemiology of Suicide: Roles and Interaction of Biomedical and Psychosocial Factors", Plenary speech, *XVI Congress of the World Association for Social Psychiatry*, Vancouver, August 16-21, 1998.
- 4 "Crosscultural Studies of Mental Disorders: Review and Reassessment", Plenary speech, the *VIII Congress of the International Federation of Psychiatric Epidemiology*, Taipei, March 6-9, 1999.
- 5 "Pathways to suicide", invited speech, Department of Psychiatry, Hospital Universiti Kebangsaan Malaysia, May 10, 1999.
- 6 "Pathways to suicide: Socioenvironmental and psychiatric factors", Guest Lecture, Department of Psychiatry, University of Cambridge, October 7, 1999.
- 7 "Sociocultural and psychiatric factors of suicide", invited speech, Department of Psychiatry, University of Bristol, U.K., October 15, 1999.
- 8 "Risk factors of suicide: a psychological autopsy study in Taiwan", invited speech by Suicide Interest Group, Institute of Psychiatry, King's College London, November 23, 1999.
- 9 "Crosscultural Studies of Mental Disorders: Review and Reassessment", invited speech, Department of Psychiatry, University of Leicester, U.K., November 1, 1999.
- 10 "Risk factors for alcoholism: an incidence study in Taiwan", Plenary Speech, *World Psychiatric Association Section on Epidemiology & Public Health Scientific Meeting*, Baltimore, June 3-6 2001.
- 11 "Pathways to suicide", Plenary Speech, *XXI Congress of the International Association for Suicide Prevention*, Chennai, India, 22-26 September 2001.
- 12 "Epidemiology of suicide in Asia", Plenary Speech, Asian Regional Conference of the International Federation of Psychiatric Epidemiology (IFPE), Kuala Lumpur, Malaysia, September 26-29 2001.
- 13 "Primary care psychiatry: An East-West comparison", Plenary Speech, *Ixth Congress of the International Federation of Psychiatric Epidemiology (IFPE)*, Edmonton, Canada, May 12-15, 2002.
- 14 "Chinese version of the SCAN in Taiwan: from development to application", Invited speech at *Symposium: Issues on the SCAN in East Asia*, Seoul, South Korea, July 5, 2002.
- 15 "Chinese version of the SCAN in Taiwan: from development to application", Invited speech at *Symposium: Issues on the SCAN in East Asia*, Busan, South Korea, July 8, 2002.
- 16 "Biological, environmental and psychiatric risk factors for alcoholism: a cohort study", Plenary speech, WFSBP Asian Regional Congress, Selangor, Malaysia, June 28-30, 2003.
- 17 "Cross-cultural aspects in psychiatric epidemiology", Plenary speech, WPA Section on Epidemiology & Public Health Scientific Meeting, Paris, July 9-11, 2003.
- 18 "Epidemiology of alcoholism", invited speech at the annual meeting of the Taiwanese Society of Epidemiology, Taipei, October 25, 2003.
- 19 "A 14-year follow up of alcoholism" Plenary speech, 10th Congress of the International Federation of Psychiatric Epidemiology (IFPE), Bristol, U.K., September 10-13, 2004.
- 19 Presidential addresses, 10<sup>th</sup> Congress of the *International Federation of Psychiatric Epidemiology*, Bristol, U.K., September 10, 2004.
- 20 "National suicide prevention strategy in Taiwan", invited speech at international conference on "Opportunities and Challenges of Suicide Research and Prevention in Changing Societies", University of Hong Kong, January 8, 2005.
- 21 Presidential address, 11<sup>th</sup> Congress of the *International Federation of Psychiatric*

- Epidemiology*, Goteborg, Sweden, May 3, 2007.
- 22 Invited speech, “The contribution of psychiatric epidemiology to mental health service development”, *5<sup>th</sup> International Mental Health Development Conference*, Taipei, Taiwan, October 8-10, 2007.
  - 23 “Migration and mental health: A bio-psycho-social perspective”, invited keynote speech, 19<sup>th</sup> Congress of *World Association of Social Psychiatry*, Prague, Czech Republic, October 21-24, 2007.
  - 24 “A total health crisis among the aboriginal peoples in Taiwan: etiology and prevention”, invited plenary speech, WPA Section on Epidemiology & Public Health Scientific Meeting, Saskatchewan, Canada, May 11-14, 2008.
  - 25 “The influence of media coverage of a celebrity suicide on subsequent suicidal behaviour”, invited plenary speech, 3rd Asia Pacific Regional Conference of International Association for Suicide Prevention, Hong Kong, Oct 31-Nov. 3, 2008.
  - 26 “The influence of media reporting of a celebrity suicide on subsequent suicidal behaviour”, invited plenary speech, 12<sup>th</sup> Congress of the *International Federation of Psychiatric Epidemiology*, Vienna, Austria, April 16-19, 2009.
  27. “Variations in gender and methods of suicide: What do they mean?”, Key-note speech, 4<sup>th</sup> Asian Pacific Regional Conference of the International Association for suicide Prevention, Brisbane, Australia, November 17-20, 2010.
  28. “A cross-ethnic comparison on incidence of suicide”, invited plenary speech, 13<sup>th</sup> Congress of the *International Federation of Psychiatric Epidemiology*, Kaohsiung, Taiwan, March 30, 2011.
  29. “Changing trends in the prevalence of common mental disorders in Taiwan: a 20-year repeated cross-sectional survey”, invited plenary speech, 14<sup>th</sup> Congress of the *International Federation of Psychiatric Epidemiology*, Leipzig, Germany, June 5-8, 2013.
  - 30 “Aboriginal suicides”, invited plenary speech, 6<sup>th</sup> *Asia Pacific Regional Conference of I.A.S.P.*, Tahiti, French Polynesia, June 10-14, 2014.
  - 31 “Towards personalized medicine of mood stabilizers in bipolar I disorder”, State of the Art Lecture, *World Psychiatric Association International Congress*, Taipei, Taiwan, November 20, 2015.
  - 32 “Personalized medicine of mood stabilizers in bipolar I disorder”, Keynote speech, 17<sup>th</sup> *Pacific Rim College of Psychiatrists (PRCP) Scientific Meeting*, Kaohsiung, Taiwan, November 3-5, 2016.
  - 33 “Risk factors of alcoholism: A 16-year perspective study”, invited plenary speech, 16<sup>th</sup> Congress of the *International Federation of Psychiatric Epidemiology*, Melbourne, Australia, October 17-20, 2017.
